

Scene 52-54 set up:

Jack, 26, broke up with his girlfriend and is now meeting with Valerie, 40, a sexy executive he met at a party who has the "hots" for him.

INT. FANCY NIGHTCLUB - NIGHT

Chic, upscale PATRONS fill the room.

An after-work contingency of high flying CORPORATE GUYS with open collars hang out at the bar.

Jack sips a drink with Valerie. She's in an hot designer outfit with the top buttons undone and a lot of sexy elegance.

VALERIE
(sipping drink)
HMMMM... very good.

JACK
Thanks for coming. I'm glad you remembered me.

VALERIE
How could I forget?
(mimicking Jack)
Yeah, yeah, yeah...

JACK
I was a little drunk.

VALERIE
So was I, remember? Actually, it's a nice coincidence that you called, I was thinking about you.

JACK
You said some things that night about your career that were really interesting -- I thought you might give me some advice. I need to make some changes. I need all the advice I can get.

VALERIE
The pleasure is all mine. And this place -- it's great, I love it.

JACK
I just had to see what I was missing.

VALERIE
So what happened to that crazy girl friend you said you had?

JACK

Gone.

INT. FANCY NIGHTCLUB - LATER

Valerie and Jack are deep into a serious conversation.

VALERIE

So, you want to be a writer?

JACK

Yes. And with my experience in college, and the other stuff I've written, and --

VALERIE

You have a lot of potential Jack. And I'd love to help. I'll make a few calls.

JACK

That would be awesome.

VALERIE

And if you redo that resume --

JACK

Done.

VALERIE

And finish school.

JACK

Soon.

VALERIE

I'll see what I can do.

JACK

I am so grateful. What can I do to return the favor?

Valerie points to the PIANO BAR where a few people are slow dancing to a jazzy number.

VALERIE

You could start with a dance.

JACK

I don't exactly know how to dance.

VALERIE

I'll show you everything you need to know.
